- 8- Towards the bottom of the Payment sheet right above "PAY NOW" there is an option for a "Promo Code" this is where you will get the fundraising discount. The Team Treasurer tracks this and knows the discount you are intitled to. **They will provide you with a promo code** if one should apply to your family. That amount will be taken off the total balance once the code is entered. Each Family will have a Code that applies to the amount of fundraising they did and it can only be used one time.

This payment will appear as **"CU\* FiveSeasonSkiTeam"** on your credit card statement descriptor.
