AUDIENCE POWER

We invite you to use our shows as your visibility and hope to be included in your upcoming advertising strategy. We look forward to working with you and thank you for your support!

Sponsor Benefits:

- Support local family entertainment and a growing community activity and attraction;
- More than 3000-4000+ impressions for your business in this keepsake program;
- Raise awareness to your brand, location and unique messaging; and
- Have your business mentioned periodically during the ski shows throughout the summer.

Supporting Your Local Non-Profit Team

We are a non-profit 501(c)(3) club for children and adults of all ages who are learning how to ski for fun, for show skiing, and for competition. Boat ownership is not required; the team provides all the equipment needed to put on the show. Our team averages around 100+ members, all of which are active in the show! We present a weekly water ski show on Thursday evenings at Ellis Park throughout the summer and also special performances as part of Cedar Rapids' Freedom Festival. We perform approximately 20 ski shows in Ellis Park every year, and also perform traveling shows and compete at several tournaments each year. Our Freedom Festival shows are consistently one of the most heavily attended events at the Cedar Rapids Freedom Festival where thousands of people are in attendance. Our audiences include everyone from young children to the elderly.

Our shows are always free to the public, so in order to raise funds to support our team, we are asking for your tax-deductible donation. In appreciation, we would like to post your company name on our website plus other benefits. We distribute an average of 2,000+ of these programs to our audience during the course of the summer at our shows.

Thank you again for your support, and we hope to see you down at the river!
